CHRISTIAN SCIENCE CHURCHES
Communion services will be
conducted Sunday, July 12, in all
branches of The Mother Church,
The First Church of Christ, Sci-
entist, in Boston, Mass. The sub-
ject of the Lesson-Sermon is
"Sacrament."

One of the Scriptural selections
relates to Jesus' appearing to the
disciples by the Sea of Tiberias
after the crucifixion. "Then Jesus
saith unto them, Children, have
ye any meat? They answered him,
No. And he said unto them, Cast
the net on the right side of the
ship, and ye shall find. They cast
therefore, and now they were not
able to draw it for the multitude
of fishes. Jesus saith unto them,
Come and dine. And none of
the disciples durst ask him, Who
art thou? knowing that it was
the Lord."
A correlative citation from "Science
and Health with Key to the
Scriptures," by Mary Baker Eddy,
states: "What a contrast between
our Lord's last supper and his last
spiritual breakfast with his dis-
ciples in the bright morning hours
at the joyful meeting on the shore
of the Galilean Sea!" "This
spiritual meeting with our Lord
in the dawn of a new light is the
morning meal which Christian
Scientists commemorate."
